* Full cancellations are trains that ran less than half booked mileage, counting as 1 cancellation. Part cancellations are trains that ran more than half booked mileage but did not call at all booked stations, counting as 0.5 cancellations.

~ Pre-cancellations, also known as P-coded cancellations, refer to planned cancellations made to passenger services before 22:00 on the day prior to operation, due to the availability of train operator staff or rolling stock, Network Rail staff or infrastructure, or severe weather (among other causes). They are included in a revised timetable, and therefore may not appear in on the day cancellations figures.
